MODULE 10.1: END-OF-LIFE CONVERSATIONS GUIDING PARENTS TO PREPARE CHILDREN/YOUNG PEOPLE WHEN SOMEONE CLOSE IS DYING

During this four hour workshop you will:

- Describe a structured approach to conversations with parents about talking to children/young people when someone close is dying
- Use key phrases to explain end-of-life in clear, age-appropriate language
- Support parents to plan what they will say and how they will involve their child
- Gain a better understanding of your own communication through reflection and facilitated feedback
- Set yourself up to three realistic goals for using your learning in your own work
